

**MARKO VORSTER**

TV/FILM

**BIOGRAPHY**

Marko spent his childhood and early teens obsessing over films and their makers, which inspires his work - whether acting, writing or fine arts.

His acting career debuted in Nico Scheepers' Donkerbos, a Showmax Original series. Sketches of his were also made for and used in the series. One of his bigger visual art projects won first place at the Allegretto National Eisteddfod.

He is currently a matriculant at Potchefstroom Gimnasium and is set on majoring in Film and Television Studies at the University of Cape Town in 2024.

Alongside visual and literary arts, music also has a tight grasp on his soul which he practices via guitar. Marko dwells on the creative and aims towards the obscure; his life revolves around art.
